

Your children will always be your priority

Keep their health and wellbeing covered on an AXA Health personal plan

Is your child's healthcare cover ending soon? Contact AXA Health now to avoid any break in their cover.

Joining an AXA Health personal plan is quick and easy.

Your child won't need to fill out any forms or have a medical examination when they join.

AXA Health will talk through the options with them on the phone, and you can still pay for their cover if you wish.

Contact AXA Health on **0800 731 8039** (using reference 08000854508) as soon as you can to ensure your child's individual plan is set up and ready to go as soon as their cover under your plan comes to an end. This will avoid any breaks in their cover, as plans cannot be backdated.

It can feel as though children grow up in the blink of an eye and before you know it, they're off into the world.

Their health and wellbeing is still your priority, especially when they're no longer covered by your company healthcare benefit, so it's a relief to know they can keep their cover going on their own AXA Health personal plan, with our underwriter AXA PPP healthcare (trading as AXA Health) with no change to their medical underwriting.

Keep their cover going on the same underwriting terms*

*These terms are only available for 120 days after your child's cover on your company healthcare scheme ends.

If your child is currently claiming for treatment or has a pre-existing condition, AXA Health may still be able to cover them for treatment of that condition, depending on the terms and conditions of the new plan they choose.
