Mental Health Assessments and Support service

A simple, fast journey to mental health treatment and support

Benefit from:

Talking to an expert without any fuss

Simply call to arrange an assessment which will be carried out by a counsellor or psychologist.

Receiving the right care and treatment

Mental health conditions can be complex, and treatment can therefore vary enormously. Mental Health Assessments and Support service counsellors and psychologists manage this daily, helping members to receive the most appropriate treatments to best meet individualised needs.

This could be in the form of self-help and life management to Cognitive Behavioural Therapy (CBT), counselling or referral to a psychiatrist.

Quality Care Nationwide

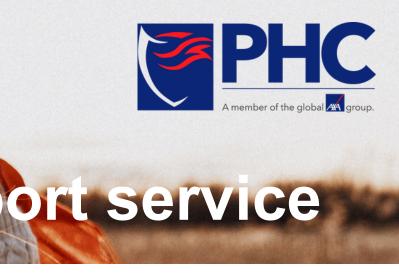

Treatment is provided by a carefully selected and approved network of counsellors and psychologists.

Treatment takes place in a Mental Health Assessments and Support service preferred clinic, fitness and wellbeing site, or medical centre around the country at a time to suit you. Remote consultations can also be utilised.

Guidance every step of the way

Whether the condition is complex, or the treatment plan needs revising, the Mental Health Assessments and Support service team will always be there to help and guide you through the process.
